

Health Care Guidance to Entry Traveler

Note:

To protect yourself and other people's health, please keep this card for at least 7 days and read it carefully.

1. Undertake a 7-day housebound medical observation after entry, avoid attending meeting, visiting friends and going to public places.
2. Avoid taking public transportation such as buses and subways, etc..
3. Keep your entire traveling voucher such as traffic tickets and hotel bills integrally.
4. During housebound medical observation, keep good personal hygiene practices, for example, wash your hands frequently and thoroughly with soap and water.
5. Remind your family to keep good personal hygiene practices and a hygienic living accommodation.
6. In case of having one of the following symptoms within 7 days after entry: fever, snivel, nasal obstruction, sore throat, cough, headache, muscular pain, diarrhea, etc., please call local Center for Disease Control and Prevention and medical staffs will serve you.
